Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting herewith, certification of a proposed license for the export of major defense equipment and defense articles in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical data, defense services and controlled hardware to support continued cooperation in Japan's Galaxy Express space launch vehicle program.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Paul V. Kelly".
